

The *Ontario Stroke Network (OSN)* in partnership with the *Champlain Regional Stroke Network (CRSN)* presents:

## Stroke Rounds: Vascular Cognitive Disorders: epidemiology, subtypes, diagnosis and management

Tuesday, June 24, 2014

12:00 – 13:00 hrs

OTN Event ID#: 35025390

Location: **Parkdale Clinic, Conference Room 50**

*This is available on your PC or laptop live or archived one week later by using the link listed below*

### Presented by:

- ◆ **Dr. Sandra Black** - Senior scientist, Sunnybrook Research Institute. Her research has focused on the cognitive sequelae of stroke and stroke recovery, the differential diagnosis of dementia, and the use of neuroimaging techniques to elucidate brain-behaviour relationships in stroke and dementia.

### Presentation will:

- ◆ Provide an understanding of stroke and dementia and its relationship to each
- ◆ Provide an opportunity for discussion and Q&A

### Target Audience Includes

- ◆ Front –line clinical care providers, Professional Practice Leaders

Disorders: epidemiology, subtypes, diagnosis and management
