

**The Central South Regional Stroke Network
invites you to participate in Provincial Stroke Rounds
via videoconference or webcast:**

Title: *Stroke and the Elderly: Does Age Matter?*

Date/Time: **Wednesday November 2, 2016**
0800-0900 hours EST

Presenter: **Dr. Kelvin Kuan Huei Ng MBBS MRCP (UK)**
Assistant Professor in Stroke Medicine, McMaster University
Staff Physician, Hamilton Health Sciences

Host Site: **Hamilton General Hospital**
(system # HAM_HHSC_0146_GH_01)

Description: This session will appeal to health professionals involved in the assessment of older patients and their respective stroke risk. Patient age will be discussed as a predictor of outcomes, in contrast with other possible considerations.

Objectives: **At the end of this presentation, the target audience will be able to:**

1. Define the older person
2. Describe age as a predictor of outcome in stroke interventions
3. Assess beyond a person's chronological age

Target Audience: **Physicians, health care professionals** interested in stroke care

This Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by the Continuing Education and Professional Development Office at the Northern Ontario School of Medicine for up to 1 Mainpro+ credits.

Claiming your credits: Please submit your credits for this activity online at www.cfpc.ca/login. Please retain proof of your participation for six (6) years in case you are selected to participate in credit validation or auditing.

This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification program of the Royal College of Physicians and Surgeons of Canada, approved by the Continuing Education and Professional Development Office Northern Ontario School of Medicine for up to 1 hour.
